

Large lockable storage compartments are a feature.

The hinged rear door makes access to the trailer easy.

## New Desert Edge soft floor camper trailer

**D**ISCOVER the latest edition to the Desert Edge range of soft floor campers – the Discovery Deluxe.

The Discovery makes a rugged first impression with an unpainted marine-grade aluminium trailer body and checker plate side pockets.

With its long list of standard features combined with tough construction, this model offers a touch of luxury while still maintaining affordability.

Desert Edge Camper factory manager Stuart Morgan said Desert Edge camper trailers are built tough to withstand even the roughest off-road adventure and the Discovery Deluxe is no exception.

“We wanted to create a trailer that was super strong to withstand even the roughest off-road adventure but at the same time be lightweight and with a 2mm marine grade aluminium body,” he said.

“With the use of unique stainless steel hinges, fixtures and a full length hot

dipped galvanised chassis to provide the greatest resistance against rust and corrosion, the Discovery Deluxe is both strong and practical.”

The rear folding 9ft canvas tent is made from Stat-Proof 600+ canvas, which unlike conventional canvases is waterproof and equivalent to 12oz canvas.

The Discovery Deluxe is specially equipped with queen size mattress, gas cook top, mixer tap and stainless steel kitchen sink.

A kitchen extension can be added for extra bench space.

Big enough to comfortably house a 60 to 80 litre fridge, the 330 litre wing box is gas strut supported to open with ease and equipped with automotive rubber seals.

You can also opt for a fridge slider to make your entire experience just that bit easier.

Storage issues are a thing of the past with the lockable checker plate aluminium storage compartments, and with the Discovery Deluxe there is more than enough room for all the gear.

In addition to this, the Discovery Deluxe comes

standard with spare wheel and travel cover and can also be optioned up with stone guard, off-road coupling and boat rack.

Desert Edge has authorised service centres all over Australia, so off-road adventurers have peace of mind knowing that they are taken care of wherever they may be.

Desert Edge also offers a 2-year limited factory warranty on all camper trailers.
